

भारतीय प्रौद्योगिकी संस्थान रोपड़ Indian Institute of Technology Ropar SISFS Funded Startup

Axlemechanic Technologies Private Limited

www.wrencho.in

Wrencho is an online platform that revolutionizes vehicle maintenance by connecting owners with trusted mechanics for hassle-free car and bike servicing. The company provides a one-stop-shop solution for vehicle maintenance, repair, fuel delivery, and related services. Operating on a franchise model, Wrencho deploys service vans equipped with state-of-the-art tools and equipment, managed by trained mechanics, to offer convenient doorstep servicing. The platform caters to both individual vehicle owners and businesses with vehicle fleets, ensuring reliable and efficient maintenance solutions.
